(iii) An authorized electronic filer must not allow their user name and password to be used by anyone other than an agent who is authorized by the electronic filer.

(iv) Electronic filers shall notify the Prothonotary's Office immediately by calling 610-478-6970 if there has been any unauthorized use of their EFS user name and password.

(v) Client Verifications and Documents Executed By Clients or Other Persons. The Verification required by Pa.R.C.P. No. 206.1 and Pa.R.C.P. No. 1024 and the signature page(s) of any document or legal paper executed by any party other than the filing party must be scanned and attached to the electronic filing in a portable document format at the time the legal paper is submitted.

(vi) Documents requiring signatures of more than one party must be

scanned and attached to the electronic filing in a portable document format at the time the legal paper is submitted.

(vii) The original of a sworn or verified document that is electronically filed (e.g. affidavit) or is contained with an electronic filing (e.g. verification) shall be maintained by the electronic filer and made available upon direction of the court or reasonable request of the signatory or opposing party.

Note: This subsection is designed to address issues which may arise regarding signatures on legal papers and documents. A filer's use of the User Name, Password and PIN issued through the Berks County Electronic Filing System is the filer's "electronic signature". However, legal papers often require verifications executed by non-filers. In addition, many legal papers or documents require multiple signatures. Deficiencies in content and execution could be subject to preliminary objections. In order to avoid prejudicial delay, this section requires that the filing party scan such legal papers, documents or signature pages and include them as part of the electronic filing at the time of submission. Original signed copies should be kept as provided for in Pa.R.C.P. No. 205.4(b)(4).

(f)(4) Electronic Filing Fees and Costs

(i) The Prothonotary shall collect an electronic filing fee for each legal paper or exhibit filed as established by the Prothonotary with the approval of the President Judge of the Berks County Court of Common Pleas.

(ii) In addition to such electronic filing fee, the Prothonotary is authorized to charge a fee as set from time to time for each page of a legal paper or exhibit which is filed in hard copy format and which must be converted to the required format.

(iii) All fees collected pursuant to this rule shall be set aside by the Prothonotary and remitted monthly to the Berks County Treasurer's Office.

(iv) All such fees and costs collected will be used for the implementation and maintenance of the Berks County Electronic Filing System "EFS" and additional development, enhancements and training.

(v) Electronic filers shall alert the EFS to any payment errors within forty-five (45) days of the payment date by calling the Prothonotary's Office at 610-478-6970.

(f)(5) Other Procedures Necessary to the Operation of a System of Electronic Filing

(i) If a legal paper is accepted, it shall be deemed to have been filed as of the date and time it was received by the Berks County Electronic Filing System; provided, however, that if a legal paper is submitted without the requisite fee, the legal paper shall be deemed to have been accepted for filing as of the date payment was received. The Prothonotary is authorized to refuse for filing a legal paper submitted without the requisite payment. If the pleading or legal paper other than original process is accepted for filing, it will be electronically served as authorized by Pa.R.C.P. No. 205.4 (g)(1)(ii) and service shall be effectuated as provided in Pa.R.C.P. No. 205.4 (g)(2)(ii).

(ii) Termination Notice. In addition to the procedures set forth in Pa.R.C.P. No. 230.2, in cases where a party is a registered user of the Berks County Electronic Filing System, notice of proposed termination may also be electronic.

(iii) An electronic filer is not required to file any paper copies unless specifically required by the court.

(iv) An electronic filer is not required to file multiple copies of documents as specified elsewhere in these local rules.

(v) Electronic filing is permitted at all times when the EFS is available. If the EFS is unavailable at the time a registered user attempts to file a document, the registered user shall make reasonable efforts to file the document as soon as the unavailability ends.

(vi) If a registered user believes the unavailability of the EFS prevented a timely filing to the party's prejudice, the registered user may submit a motion to the court within ten (10) days of the registered user's unsuccessful attempt to file the document. The motion shall state the date and time of the first unsuccessful attempt to file the document electronically, the date(s) and time(s) of any subsequent attempts to file the document electronically, and why the delay was prejudicial.

(vii) The filing deadline for any document filed electronically is 11:59:59 p.m. EST/EDT.

(viii) Documents with Attachments. Attachments, including exhibits, that are part of any filing, shall be filed electronically at the same time as the document.

(ix) Pleadings seeking judicial action such as Proposed Orders or scheduling orders shall be filed as separate documents within the same electronic filing as the Motion or Petition they pertain to.

(x) An attachment or exhibit that exceeds the technical standards for the EFS or is unable to be electronically filed must be filed as ordered by the court. A Notice of Exhibit Attachment shall be filed in the EFS referencing such an exhibit with specificity and stating the reason why the exhibit was not filed electronically.

(xi) The Court may, on its own motion or for good cause shown, order a filing be made under seal. Filings requested to be made under seal shall be submitted to the Prothonotary's Office over the counter rather than through EFS.

(xii) Sealed or confidential documents may be submitted for electronic filing in a manner that maintains confidentiality under applicable law.

(xiii) All filings shall comply with the Public Access Policy of the Unified Judicial System of Pennsylvania; Case Records of the Appellate and Trial Courts which can be found at the Administrative Office of Pennsylvania Courts website www.pacourts.us as well as on the Berks County Court website www.co.berks.pa.us and with Berks County Rule of Judicial Administration 510. Confidential data may

be collected on the EFS so that the data can be viewed by authorized personnel while being protected from public view.

(xiv) Family Court documents shall be confidential and shall not be viewable in CMS by the public without an Order of Court.

Note: Attorneys and litigants who file documents are required to comply with the Public Access Policy of the Unified Judicial System of Pennsylvania: Case Records of the Appellate and Trial Courts.

...

(g)(2) Service by Electronic Transmission

(i) The electronic filing of a legal paper does not satisfy the filing party's obligation under the Pennsylvania Rules of Civil Procedure or the Berks County Rules of Civil Procedure to serve the legal paper on all parties to the litigation or on the Court.

(ii) Service of subsequent pleadings other than orders shall be made by the filing party to all other parties. Service of orders shall be made to registered EFS users by the Prothonotary's Office by e-mail notification or mail as elected by the EFS user and to all others by mail.

(h) Civil and Family Court Cover Sheets will not be required in EFS cases because any required data will be collected through the EFS for transmission to the Administrative Office of Pennsylvania Courts as required by Pa.R.C.P. No. 205.5(e).

(a) A party having the burden at argument in a civil case may file a praecipe with the prothonotary ordering that the case be listed for a particular argument court date, except that the date for argument on preliminary objections shall be as provided in B.R.C.P. 1028 (c), and shall file simultaneously with the prothonotary the required copies of his brief of argument and a proof of service that copies of such praecipe and brief of argument have been served upon all other parties in the case.

The non-compliant party, however, shall be prohibited from participating in oral argument before the court unless the non-compliant party timely cures any defects and there is no prejudice to any opposing party, or the court, in its discretion, allows the non-compliant party to participate after good cause is shown.

(a) Service of any document or notice under these rules relating to argument court shall be made on counsel of record or on a party without counsel by personal service or by registered, certified or first-class mail addressed to the last address of such counsel or party as listed with the prothonotary for the subject case.

(a) If a party is unable to file and serve his brief of argument as required by these rules, or is unable to appear and argue the case when scheduled, such party shall make timely application to the court for an extension of time in which to file and serve his brief and/or for a continuance, and upon good cause shown the court may grant such additional time and/or continue the argument as may be proper under the circumstances.

(1) There can be no extension of time for filing and serving of briefs of argument by agreement of the parties, except that if the praecipe for argument is filed by a party not having the burden, a reasonable extension of time for filing and serving of briefs by the party having the burden will be allowed without cause upon written stipulation of all parties and order entered thereon by the court and filed at least twenty-four (24) days prior to the argument court date. Except for argument on preliminary objections, a continuance without cause will be allowed one time on any other matter listed for argument, upon written stipulation of all parties and order entered thereon by the court and filed no later than on the Tuesday (or Monday if Tuesday is a holiday) prior to the argument court date.

(2) Unless otherwise ordered by the court because of emergency, any application for extension of time for cause for filing and serving of briefs must be made to the court on or before the due date for filing, and any application for continuance of argument must be made to the court on or before the Tuesday (or Monday if Tuesday is a holiday) prior to the scheduled argument date. A party making either such application must give written notice to all other parties in accordance with B.R.C.P. 211.3(a) of the intended date, time and nature of the application at least three (3) days prior to making such application, except that notice may be waived by such other party who appears before the court at the time such application is made. If the other party does not appear, the party making application shall file proof of service of notice in accordance with B.R.C.P. 211.3(b) at or before the time of making such application.

(4) The court may order sua sponte that the time for filing of an argument brief be extended, that an argument be continued or that a case be stricken from the argument list.

(b) If a party fails to appear and argue his case at the time scheduled, the court may hear argument of one party nevertheless, may consider the position of the party so failing to appear and argue as abandoned and may, without further notice, order the matter granted or dismissed with prejudice, depending on which party has failed to appear, or act upon the matter in such manner as the court deems appropriate, including the imposition of sanctions for failure to comply with these rules.

Rule 211.6 Assignment of Cases for Argument

(2) Once a month, the Domestic Relations Section shall forward the list of all cases that are ready for argument to the Administrative Family Court Judge for assignment.

(3) The assigned Judge shall set forth the date, time and location for argument court and notify all parties. Such notice may also include a briefing schedule, or the briefing schedule may be issued by separate order.

(2) Following service of copies of the preliminary objections and the above form of order, all counsel and any unrepresented parties should confer and agree upon the dates to be included in the order prior to its submission to the Court for consideration and entry.

(3) The party filing the preliminary objections shall file the original of the completed form of order with the Prothonotary no later than twenty (20) days following service of copies of the preliminary objections and accompanying documents upon counsel for all other parties and any unrepresented parties, whereupon the Prothonotary shall deliver the file of the case to the Court. Nothing in this rule shall preclude the Court from changing the dates set forth in the above-referenced form of order, whether or not such dates were set by agreement of the parties.

(c) If the party filing the preliminary objections fails to simultaneously file any of the additional documents required by paragraphs (1) and (2) above, the Prothonotary shall notify the Court, whereupon the Court may, unless all defects are corrected within five (5) business days of receipt of the file, overrule the preliminary objections.

(3) The amended pleading is accompanied by or follows the filing of a court order permitting the amended pleading to be filed notwithstanding the time limitation set forth in Pa.R.C.P. No. 1028(c)(1).

(e) If no amended pleading is filed in accordance with paragraph (4) above, any party opposing preliminary objections which are not endorsed with a notice to plead, as they involve issues raised under Pa.R.C.P. When the argument date is by agreement of the parties and the assigned judge, unless the assigned judge orders otherwise, the non-moving party shall file its argument brief no later than seven (7) days prior to the agreed upon argument date.

(f) If any party to whose pleading preliminary objections have been filed fails to file either an amended pleading or a response to the preliminary objections, the Prothonotary shall deliver the file of the case to the Court, whereupon the Court may deem the preliminary objections to have been admitted and, without further notice, either sustain the preliminary objections; hear oral argument and rule upon the preliminary objections; rule upon the preliminary objections without oral argument; or, if an issue of fact is raised, direct that the matter be continued for no more than sixty (60) days for the parties to produce sufficient evidence for the Court to consider in making its ruling.

(g) If preliminary objections are filed which involve issues raised under Pa.R.C.P. No.s 1028(a)(1), (5), (6), (7), or (8) but are not endorsed with a notice to plead and no response thereto is filed, the Court shall deem the preliminary objections to be denied in accordance with Pa.R.C.P. No. 1029(d), and may, without further notice, overrule the preliminary objections, although it may permit the preliminary objections to be re-filed, endorsed with the required notice to plead, no later than twenty (20) days after the order is entered. In the alternative, the Court may hear oral argument from the party that filed the preliminary objections and any other party wishing to be heard, or, if an issue of fact is raised, may direct that the matter be continued for no more than sixty (60) days in order to permit the party that filed the preliminary objections, and any other party wishing to participate, the opportunity to produce sufficient evidence for the Court to consider in ruling upon the preliminary objections.

(h) If preliminary objections are in the nature of preliminary objections to preliminary objections, the filing, argument and disposition of the second set of preliminary objections shall proceed in accordance with paragraphs (1) through (7) above and oral argument on the first set of preliminary objections shall be continued to the date set for argument on the second set of preliminary objections. If the Court overrules the second set of preliminary objections or does not make a decision on the second set of preliminary objections, the Court may proceed with the consideration and disposition of the first set of preliminary objections in accordance with paragraphs (5) through (7) above immediately after the conclusion of argument on the second set of preliminary objections, or may schedule oral argument on the first set of preliminary objections for a date and time after it has ruled on the second set of preliminary objections.
