

Master Plan for Older Adults Listening Sessions

The Pennsylvania Department of Aging has embarked on the development of a 10-year strategic plan designed to help transform the infrastructure and coordination of services for Pennsylvania's older adults, and they want your input!

You are invited to contribute what you think should be the plan's priority goals, objectives, and initiatives to support the highest quality of life for older adults.

We want to hear from you!

**Join us for
a Listening
Session**
